Subject: Permission to Conduct a Digital Empowerment Awareness Program in Haripur Village.

Respected Sir,

The students of DKTE Textile and Engineering Institute, Ichalkaranji, are visiting Haripur Village under our Community Engagement Program (CEP) on the theme of Digital Empowerment.

This visit will help them create awareness among villagers regarding digital literacy, cyber security, artificial intelligence awareness, fake news, and financial literacy. Kindly permit them to visit the village and conduct this awareness program.

Thank you.
